Data sheet:
WL-588

Product code	: WL-588
Product name	: Wireless Concurrent Dualband Router 300N X2
EAN code	: 8716502021307

The Wireless Concurrent Dual-band Router 300N X2 equipped with two access points is ideal for streaming High Definition video and audio, VoIP and download applications.

The full advantage that can be taken of this dual-band router is by using the less crowded 5 GHz frequency for time sensitive traffic without any audio or video interference. It is possible to use both frequencies 2.4 GHz and 5 GHz simultaneously, with throughput up to 300 Mbps each. With the WPS button functionality, it is easy to establish a secure wireless network connection with just the push of a button.

Now includes a Wireless Dual-band USB Adapter 300N X2.
The Wireless Dual-band USB Adapter 300N X2 makes it possible to add wireless capacities to your desktop PC or notebook as well as your Media Player. The USB adapter can transmit signals on the 2.4 or less crowded 5 Ghz frequency.
